

Overview

About IQAC

The Internal Quality Assurance Cell (IQAC) serves as the quality sustenance and enhancement mechanism of the institution. Established in accordance with the guidelines of the National Assessment and Accreditation Council (NAAC), IQAC promotes a culture of quality through systematic planning, monitoring, documentation, and continuous improvement of academic and administrative processes.

The IQAC acts as a catalyst for institutional excellence by encouraging innovation, outcome-based education, digital transformation, stakeholder participation, and evidence-based decision making. It coordinates quality initiatives aligned with NAAC, NBA, NIRF, AISHE, UGC, AICTE, and other regulatory frameworks to ensure holistic institutional development.

Through continuous monitoring and periodic reviews, IQAC strengthens teaching-learning processes, research, extension activities, governance, infrastructure, and student support systems, thereby contributing to the realization of the institution's vision and mission.

IQAC at a Glance

Internal Quality Assurance Cell (IQAC)

The **Internal Quality Assurance Cell (IQAC)** of **MLR Institute of Technology (Autonomous), Hyderabad**, was established in accordance with the guidelines of the **National Assessment and Accreditation Council (NAAC)** to institutionalize a culture of quality and excellence in all academic and administrative activities. The IQAC functions as a strategic quality assurance mechanism that continuously monitors, evaluates, and enhances institutional performance through systematic planning, implementation, documentation, and review.

As the central quality facilitation body of the institution, IQAC promotes a learner-centric environment, fosters innovation in teaching-learning processes, encourages research and consultancy, strengthens governance, and supports continuous improvement through data-driven decision-making. The Cell works collaboratively with all departments and administrative units to ensure that quality benchmarks prescribed by statutory and regulatory bodies such as **NAAC, NBA, AICTE, UGC, JNTUH, NIRF, AISHE, and AICTE IDEA Lab** are effectively achieved and sustained.

The IQAC serves as the nodal agency for planning, implementing, documenting, and reviewing quality initiatives that contribute to academic excellence, institutional effectiveness, stakeholder satisfaction, and national and international recognition.

Vision

To nurture a culture of continuous quality enhancement and innovation that transforms MLR Institute of Technology into a globally recognized institution of academic excellence, research, innovation, and societal impact.

Mission

- To institutionalize quality assurance practices across academic and administrative domains.
- To promote excellence in teaching, learning, research, innovation, and extension activities.
- To facilitate outcome-based education and continuous curriculum improvement.
- To encourage stakeholder participation for institutional development.
- To strengthen governance through transparency, accountability, and evidence-based decision making.
- To achieve excellence in accreditation, ranking, and national quality frameworks.

Our Commitment to Quality

IQAC is committed to

- Academic Excellence
- Continuous Quality Improvement
- Student-Centric Learning
- Research and Innovation
- Industry Collaboration
- Digital Transformation
- Sustainable Development
- Ethical Governance
- Institutional Transparency
- Inclusive Growth

Core Functions

The IQAC performs the following key functions:

- Develops and monitors institutional quality benchmarks.
- Coordinates accreditation and ranking activities.
- Facilitates Academic and Administrative Audits.
- Promotes Outcome-Based Education (OBE).
- Encourages innovative teaching-learning methodologies.
- Collects and analyses stakeholder feedback.
- Monitors implementation of quality initiatives.
- Coordinates Annual Quality Assurance Report (AQAR) preparation.

- Supports NBA, NAAC, NIRF, AISHE, and statutory compliance.
- Organizes faculty development programmes, workshops, seminars, and quality awareness activities.
- Promotes best practices and institutional distinctiveness.
- Maintains quality documentation and evidence for accreditation.

Major Quality Initiatives

The IQAC actively coordinates institutional initiatives in the following areas:

- Academic Quality Enhancement
- Curriculum Enrichment
- Faculty Development Programmes
- Student Skill Development
- Outcome-Based Education Implementation
- Research Promotion
- Innovation and Entrepreneurship
- Green Campus Initiatives
- Digital Learning Ecosystem
- Industry-Institute Interaction
- Internal Academic Audits
- Administrative Process Improvements
- Stakeholder Feedback System
- Student Satisfaction Survey
- Best Practices Documentation
- Institutional Distinctiveness
- National Ranking and Accreditation Support

Institutional Quality Framework

The IQAC aligns institutional activities with the following quality frameworks:

- National Assessment and Accreditation Council (NAAC)
- National Board of Accreditation (NBA)
- National Institutional Ranking Framework (NIRF)
- All India Survey on Higher Education (AISHE)
- All India Council for Technical Education (AICTE)
- University Grants Commission (UGC)
- Jawaharlal Nehru Technological University Hyderabad (JNTUH)
- Outcome-Based Education (OBE)

Key Responsibilities

The IQAC acts as the institutional quality catalyst by:

- Planning quality initiatives
- Monitoring academic processes
- Supporting strategic planning
- Reviewing institutional performance
- Facilitating evidence-based decision making
- Coordinating accreditation documentation
- Strengthening stakeholder engagement
- Promoting institutional excellence
- Encouraging innovation and best practices
- Driving continuous improvement across all functional areas

Our Motto

"Quality is not an event; it is a continuous journey towards excellence."

Objectives

IQAC Goals

Driving Excellence through Continuous Quality Enhancement

The Internal Quality Assurance Cell (IQAC) of **MLR Institute of Technology (Autonomous)** is committed to fostering a culture of quality, innovation, and continuous improvement. The primary goal of IQAC is to institutionalize quality assurance practices that enhance academic excellence, strengthen governance, and promote holistic institutional development in alignment with the Vision and Mission of the Institute.

By integrating quality benchmarks into all institutional processes, IQAC ensures that every academic and administrative activity contributes to sustainable growth, stakeholder satisfaction, and national and international recognition.

Strategic Goals of IQAC

1. Academic Excellence

Strengthen the quality of teaching-learning processes through innovative pedagogical practices, curriculum enrichment, experiential learning, and outcome-based education to enhance student learning outcomes.

2. Continuous Quality Improvement

Establish robust quality assurance mechanisms that facilitate periodic review, monitoring, assessment, and continual enhancement of academic and administrative processes.

3. Outcome-Based Education (OBE)

Promote effective implementation of Outcome-Based Education by aligning curriculum delivery, assessment, and attainment with Programme Outcomes (POs), Programme Specific Outcomes (PSOs), and Course Outcomes (COs).

4. Research, Innovation and Consultancy

Encourage faculty and students to engage in impactful research, interdisciplinary collaborations, innovation, entrepreneurship, consultancy, patents, and technology transfer.

5. Faculty Empowerment

Support continuous professional development through Faculty Development Programmes (FDPs), workshops, certifications, research opportunities, and industry interactions.

6. Student Development

Create a learner-centric environment that nurtures technical competence, leadership, ethical values, innovation, employability skills, and lifelong learning.

7. Digital Transformation

Leverage digital technologies and data-driven systems to improve academic administration, documentation, quality monitoring, and institutional decision-making.

8. Accreditation and Ranking Excellence

Strengthen institutional preparedness for accreditation and ranking frameworks such as NAAC, NBA, NIRF, AISHE, AICTE, and other quality assessment agencies.

9. Stakeholder Engagement

Develop effective mechanisms to obtain, analyze, and act upon feedback from students, faculty, alumni, employers, parents, and industry to enhance institutional effectiveness.

10. Sustainable Institutional Development

Promote environmentally responsible practices, social responsibility, inclusiveness, ethical governance, and community engagement to achieve long-term institutional sustainability.

Quality Policy

Committed to Academic Excellence and Continuous Improvement

MLR Institute of Technology (Autonomous) is committed to providing quality technical education by fostering an environment of academic excellence, innovation, research, ethical values, inclusiveness, and continuous improvement. The Internal Quality Assurance Cell (IQAC) serves

as the institutional catalyst in implementing and sustaining quality assurance systems that align with national standards and global best practices.

The Institute strives to continuously enhance academic and administrative processes by adopting transparent governance, learner-centric education, industry engagement, digital transformation, and evidence-based decision-making to produce competent professionals and responsible citizens.

Quality Policy Statement

The Institution is committed to:

- Deliver quality education through effective curriculum planning, innovative teaching-learning practices, and robust assessment systems.
- Promote Outcome-Based Education to ensure attainment of defined learning outcomes and graduate attributes.
- Foster a culture of continuous quality improvement through regular monitoring, evaluation, and quality audits.
- Encourage research, innovation, entrepreneurship, consultancy, and interdisciplinary collaboration.
- Strengthen industry partnerships to enhance experiential learning, internships, skill development, and employability.
- Provide opportunities for faculty development, leadership, and professional growth.
- Create an inclusive, student-centric, and technology-enabled learning environment.
- Ensure transparent, participative, and accountable governance practices.
- Promote environmental sustainability, social responsibility, and ethical values.
- Comply with statutory, regulatory, and accreditation requirements while continually improving institutional effectiveness.

Functions

Key Functions

The IQAC performs the following key functions:

- Develops and monitors institutional quality benchmarks.
- Coordinates accreditation and ranking activities.
- Facilitates Academic and Administrative Audits.
- Promotes Outcome-Based Education (OBE).
- Encourages innovative teaching-learning methodologies.
- Collects and analyses stakeholder feedback.
- Monitors implementation of quality initiatives.
- Coordinates Annual Quality Assurance Report (AQAR) preparation.
- Supports NBA, NAAC, NIRE, AISHE, and statutory compliance.

- Organizes faculty development programmes, workshops, seminars, and quality awareness activities.
- Promotes best practices and institutional distinctiveness.
- Maintains quality documentation and evidence for accreditation.

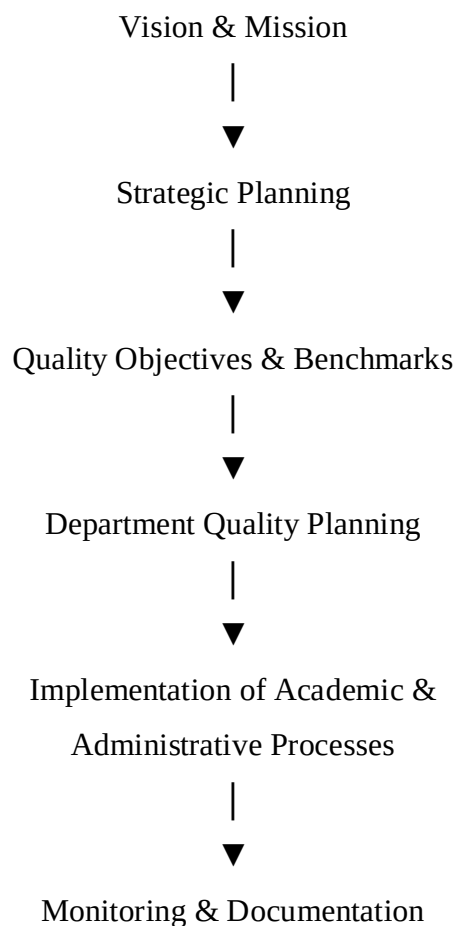

IQAC Process Flow

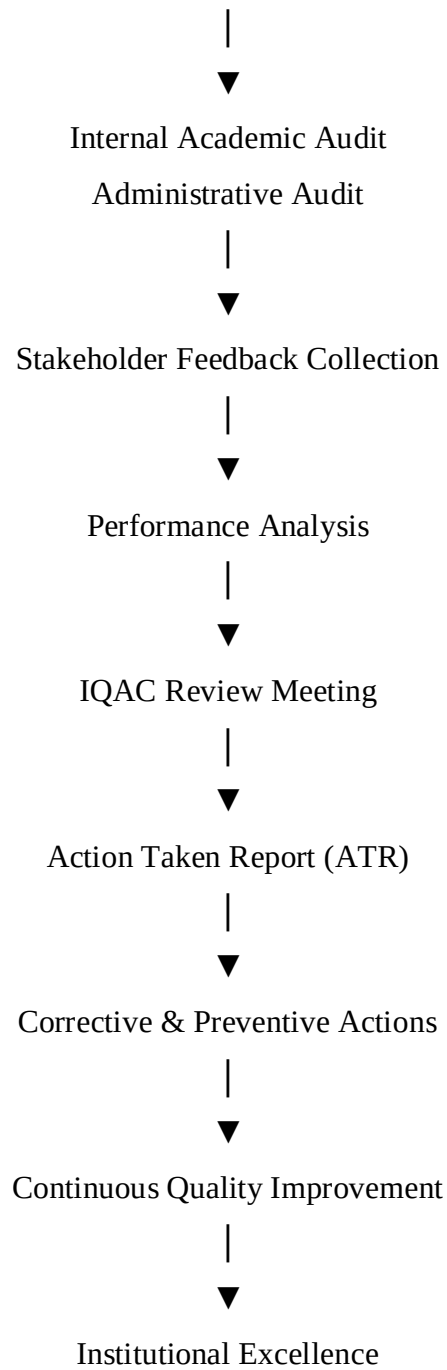

The Internal Quality Assurance Cell (IQAC) at **MLR Institute of Technology (Autonomous)** functions as the central quality assurance and enhancement body of the institution. It adopts a systematic, evidence-based, and continuous improvement approach to ensure excellence in academic, administrative, research, extension, and governance processes.

The IQAC follows the **Plan–Do–Check–Act (PDCA)** methodology and aligns institutional quality initiatives with the requirements of **NAAC, NBA, AICTE, UGC, JNTUH, NIRF, AISHE**, and other statutory and regulatory bodies.

The quality assurance process is participative, involving all stakeholders, including management, faculty, students, alumni, employers, parents, and industry experts.

Roles and Responsibilities of IQAC

The IQAC functions as the nodal agency for quality assurance and enhancement, ensuring that the institution continuously improves its academic and administrative performance.

1. Chairman (Principal)

Responsibilities

- Provide strategic leadership for institutional quality enhancement.
- Approve quality policies, plans, and initiatives.
- Chair IQAC meetings and review progress.
- Facilitate implementation of quality assurance systems.
- Ensure institutional support for accreditation and ranking activities.
- Promote a culture of academic excellence and continuous improvement.

2. IQAC Coordinator

Responsibilities

- Coordinate all IQAC activities and meetings.
- Prepare annual quality plans and action schedules.
- Facilitate implementation of quality initiatives.
- Monitor quality benchmarks and institutional KPIs.
- Coordinate preparation and submission of AQAR.
- Maintain quality documentation and records.
- Liaise with statutory bodies such as NAAC, NBA, AICTE, UGC, NIRF, AISHE, and JNTUH.
- Organize quality awareness programmes, workshops, and FDPs.
- Present progress reports to the Principal and IQAC.

3. Management Representative

Responsibilities

- Provide policy guidance for quality initiatives.
- Support infrastructure and resource development.
- Facilitate strategic planning and institutional growth.
- Review institutional performance.

4. Heads of Departments

Responsibilities

- Implement IQAC initiatives at the department level.
- Monitor teaching-learning processes.
- Ensure preparation of course files and academic records.
- Coordinate academic audits and departmental reviews.
- Promote research and innovation among faculty and students.

5. Controller of Examinations

Responsibilities

- Ensure transparent and fair examination processes.
- Monitor assessment and evaluation mechanisms.
- Maintain confidentiality and integrity in examinations.
- Support attainment analysis and examination reforms.

6. Administrative Officer

Responsibilities

- Support administrative quality initiatives.

- Maintain institutional records and documentation.
- Coordinate administrative audits.
- Facilitate implementation of e-Governance practices.

7. Industry Representative

Responsibilities

- Provide industry perspectives on curriculum relevance.
- Suggest emerging technologies and skill requirements.
- Facilitate internships, projects, and industry collaborations.
- Support employability initiatives.

8. Alumni Representative

Responsibilities

- Share alumni feedback on academic programmes.
- Support mentoring and career guidance.
- Facilitate alumni engagement and networking.
- Promote industry–institution collaboration.
